1-855-CHD-WALK

The Congenital Heart Walk is an ongoing national effort between the Adult Congenital Heart Association (ACHA) and The Children's Heart Foundation (CHF) to unite the congenital heart disease (CHD) community. Together we can make a difference!

.....

WHY WE WALK

To support, honor and remember the millions of children, adults and families impacted by CHD by raising vital funds and awareness to support the missions of ACHA and CHF.

.....

JOIN US

Register online today and start making a difference. Start a team and ask your family and friends to join you. Fundraising online is fun and easy! Prizes are offered for top fundraisers!
